Job Description

Extension Assistant Professor of Agricultural Education and Leadership is a 12 month, tenure track position with responsibilities in teaching, research and service in the Department of Agricultural and Environmental Sciences at Tennessee State University. This is a collaborative position that includes teaching, research and outreach in areas including youth and adult leadership education models, leadership ethics, management of change, change theory, organizational leadership, instructional design for leadership education and managing outreach and service learning projects.

Major Duties and Responsibilities. This key person will:

1. contribute leadership for undergraduate and graduate leadership curriculum development;
2. demonstrate potential for excellence in teaching, research, and scholarly writing;
3. advise students and teach courses in agricultural leadership and development as well as agricultural education;
4. co-advise an undergraduate student organization;
5. conduct research relevant to agricultural leadership and education;
6. work with agriculturally-related clientele and the agribusiness

community;

7. conduct outreach with community based organizations;

8. seek and secure extramural funding;

9. demonstrate competence in interpersonal relations and team building;

10. assist with the creation and management of doctoral opportunities in agricultural leadership and education;

11. supervise educational experiences in agricultural leadership and education;

12. develop relevant community leadership development of programs for the citizens of Tennessee.

Doctorate in agricultural leadership or community education. All but dissertation (ABD) applications accepted.

Demonstrated skills in verbal and written communication.

Demonstrated commitment to excellence in teaching, research, and service.

Minimum Qualifications/Experience

Demonstrated experience in the agriculture industry (including entrepreneurial and/or farming activities), youth development, and/or community education.

Experience and expertise in teaching with distance education technologies.

Dedication to innovation in regards to partnerships, internships, and recruiting.

You will be required to provide names and contact information for three recommenders during your application to the posting. If you are approved for the candidate pool, our online hiring system will automatically generate solicitation for these letters using contact information you provided.

The letters should be returned via the link provided in the solicitation of the recommendation and must be current and specific to the job posting.

Special Instructions to Applicants

Employment is contingent upon successfully completing a criminal background check as mandated by Tennessee State University.

Official transcripts for positions which require a post-secondary undergraduate degree, advanced degree and/or certification must be presented upon hire.

An unofficial transcript may be attached in the "Transcript" section.
