## Hillsdale Environmental Management Educator

### Position Overview

As part of MSU Extension (MSUE) and the Agriculture and Agribusiness Institute, this position provides local as well as statewide leadership and educational programming expertise in alignment with the environmental issues related to livestock production, including but not limited to nutrient management. This position will collaborate across work groups, Institutes and community groups and work with faculty, specialists and educators for advancement of the needs of the Institute clientele; designs, implements and evaluates programming based on basic and applied research and the needs of clientele groups; ensures dissemination of research-based information through various methods, including multi-media, personal education and written articles; and serves as an informational resource for Extension Personnel and clientele.

### Qualifications

#### Minimum Qualifications (see full description for complete list of requirements)

- Master's degree from an accredited institution in a field of study related to Animal Science, Agronomy, or Agriculture Engineering, with expertise related to environmental management, engineering, and/or nutrient utilization, must be earned by date of hire;

#### Desired Qualifications

- 3-years' experience in Extension program delivery or demonstrated ability and skill in educational program planning, implementation and evaluation (relevant experience acquired within the last 5-years preferred).

### Application Process

To view the full position description and required qualifications, please visit the applicable Michigan State University careers page (internal candidate or external candidate) as noted under the To Apply section. **Search for posting number 501039 using the Job Search field.**

Applicants are asked to provide a current resume, cover letter and four (4) professional references including email addresses.

This position is a full-time, end-dated appointment renewable annually based upon successful performance and continued funding.

**Application deadline is June 13, 2018.**
