

2005 SOUTHERN REGION POSTER SESSION

Call For Posters

Presentation Guidelines

The format for poster narrative proposals and selection criteria are as follows:

1. Criteria for selecting presentations at the regional and national level:
 - a. Must be innovative--a new idea, or the creative modification of an existing idea.
 - b. Must be of potential regional or national significance.
 - c. Must have been used before the time the idea was submitted for consideration.
 - d. Must cover the complete topic, concept or procedure.
 - e. Posters at SAERC are judged on the following criteria: Proposal/Abstract, Poster Presentation/Content, Poster Design and Display, and Educational Value.

2. Format for consideration by the Southern Region Poster Session Committee:
 - a. The narrative proposal is limited to 2 pages, single-spaced with double-spacing between paragraphs including tables, figures, and references. Margins are 1" top, bottom, and right, and 1.25" left side. The printer font should be Times Roman, 12 point, or equivalent. Tables should be prepared using the table function to facilitate conversion to HTML format.
 - b. Up to twenty narrative proposals will be selected for presentation at the 2004 Southern Region Poster Session.

Narrative proposals will be peer reviewed using the attached review evaluation form.

- c. Content of the narrative proposal should include the following sections where appropriate:
 1. Title, author, institution
 2. Introduction/need for idea for innovation/purpose/objectives
 3. How it works/methodology/program phases/steps
 4. Results to date/implications/recommendations
 5. Future plans/advice to others
 6. Costs/resources needed
 7. References
