

AAAE-SOUTHERN REGION
2007 Call For Posters
Innovative Idea and Research Poster Sessions

Two poster session categories have been implemented for 2007--Innovative Idea and Research. Innovative Idea posters must be a new idea or the creative modification of an existing idea. Research posters must be related to a problem, demonstrate a need for research, and implement the research process. With both categories, the innovative idea or research must be implemented prior to submission.

Poster narratives in each category must be of potential regional or national significance focusing in the areas of teaching, communications, extension and/or leadership. A peer review evaluation process will be used based on the established evaluation forms. Up to twenty posters will be selected to be presented at the 2007 AAAE-Southern Region Conference.

Once accepted to AAAE-SR, posters will be presented in Mobile, Alabama. Evaluation will be based upon the poster abstract, design and display, presentation, communication of presenter, significance to the profession, and innovation of idea or related to research poster session (see poster session evaluation sheets).

Headings by Categories
